CHRISTINE BAMIGBOLA WORKING HARD FOR YOU IN LANGLEY ST MARY'S

Christine has lived in Slough for 30 years including her childhood years. She studied at the Thames Valley University in Slough where she graduated with BA Hons Accounting & Finance Europe. She went on to work as a Management Accountant for 15 years working with Telecom and Pharmaceutical companies based in Slough and the Thames Valley area.

For 10 years, Christine has worked with community charities helping families going through a period of crisis and serving as a trustee. On a voluntary basis, she is an advocate for education and mentoring young people to maximize their aspirations. That passion led her to become a School Governor at a primary and a secondary school as well as being a member of the Slough Schools forum.

Christine brings a unique knowledge and understanding of local issues as well as strong experience from different economic sectors which will enable her to represent the voice of local people, bring positive

Christine and Amarpreet reviewing the traffic issues caused at the Harrow Market Roundabout

change and a better quality of life for the residents of the Langley St Marys ward.

Christine will be focusing with Councillor Amarpreet Dhaliwal on the following key issues over the next year:

- Resolving issues around **Traffic & Congestion** that impact the ward, particularly Harrow Market roundabout and issues with school traffic
- Working to improve provision of **Bus Services** to Langley Station
- **Clean up of Harrow market** area and night time **anti-social behaviour**
- Work with Police and other agencies to focus on reducing the problem with burglaries in the area
- **Road Improvements and Repairs** of potholes including near station
- Work to protect our **Green Spaces** from **Housing Development** across the ward
- Ensuring positive impact of **Crossrail**

ABOUT CHRISTINE

Christine has lived in Langley with her family for over 20 years, working with many companies around the Slough area

Christine is a real advocate for education, has worked closely with local community charities and has a unique knowledge of the issues local people face in the ward

OUR KEY PRIORITIES FOR A SLOUGH THAT WORKS FOR EVERYONE

There is an alternative to Labour's waste, substandard delivery and chaos - **Our united Conservative Team** are passionate about Slough and have a vision to turn this around. Our priorities are:

Tackle our Traffic & Congestion Problems

Labour has failed too many areas of the borough that are poorly served by existing public transport with no access to bus routes at all. We will work to

correct this by working with partners to open up new bus routes, review road traffic measures causing congestion, and sort out issues with parking across the borough.

Reduce Crime & Deal with Disorder

Too many areas of our town are still dealing with high levels of anti-social disorder. We to focus on new initiatives such as "drink tanks", forcing council & Police to focus on making our town &

parks safe places for all, and working to put more police on the streets of our communities.

Tighten up on Housing Development & Quality

For too long new housing developments in our town that have not provided the level of quality, accessibility or environmental considerations. We will enforce a new standard on all developments to ensure that they do.

A University Campus linked to our Regeneration

Slough with its strong commercial bases deserves a Higher Education campus – but one that serves local people well, and puts young people at the centre of our towns regeneration to ensure we keep and attract the best talent in our town.

More Effective & Cost Efficient Council Services

We believe residents should get value for money and are best placed to choose how to spend their hard earned cash. As a result we will find ways to maintain budgets year-on-year by finding efficiencies in the way SBC is run and how it spends our money.
