

The Slough Brexit Survey

Slough Conservatives

What did Slough say?

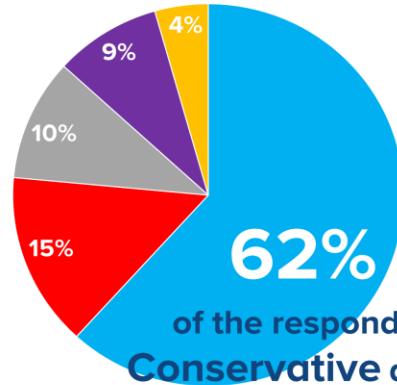

65%

of the **168** respondents voted **leave** in the EU Membership Referendum in 2016

Taking back control of our laws

One-third

of the Leave respondents cited **Taking back control of our laws** as the most important driving issue for their vote in the 2016 referendum

of the respondents voted **Conservative** at the 2017 General Election – **10% didn't vote at all**

Respondents who cited **continued ECJ jurisdiction** as their biggest issue with the White Paper

68%

of the respondents **did not agree** with the Government Chequers White Paper – but only **half** of those who said they **voted Labour** in 2017 did not agree

Remain Respondents are **5 times** more likely to support the White Paper than those that voted leave
