## Your Conservative candidate for **Cippenham Green**

I feel let down by our Labour-run council and our Labour councillors – who have ignored us for too long. This is why I am standing up for our village and running as a candidate in the council elections in May.

### I am continuing to focus my efforts for residents on:

- ✓ Protecting our village properly by opposing overdevelopment like the one the council initially supported at the Co-Op site recently
- ✓ Ensuring people have a say on changes in their streets like those residents ignored by our Labour councillors in Cippenham Close
- ✓ Holding the council to account for wasting vast sums of money on staff pay-outs – council tax should be spent on local services

If you need me please get in touch, my details are on the back – I am here for you. I look forward to meeting you soon!

ON REVERSE

I live locally and work as a consultant specialising in working with major companies like M&S, Debenhams and ASDA

I am relatively new to politics, having become aware of just how much our council tax is being wasted by Labour, and want to make sure it is spent well on local services that people care about most – like education, health, roads and housing

**CIPPENHAM DESERVES BETTER**

# Four reasons to support us

Put Slough residents' **quality of life first**

We will tackle poor street cleanliness, recycling rates amongst the lowest in the UK, and poor journey times that are double the England average.

Safeguarding a sustainable **town environment**

Our town and services are under too much pressure – we need to make sure development is sustainable to meet the needs of existing and future communities.

Properly reinvigorate and renew our **town centre & high street**

Labour have neglected our town for 10 years while local Conservative run-towns like Bracknell regenerate - residents need a town fit-for-purpose.

Make sure residents get council tax **value for money**

Labour have wasted millions on staff pay-outs, failed schemes and vanity projects – residents deserve value for money from their hard earned council tax.
